

In the Dallastown Area School District, the curriculum for the intermediate level has been developed to match the instruction and assessment procedures that are used in our integrated, mixed-ability classrooms. All three components—curriculum, assessment, and instruction—are continuously modified to provide classroom environments that better meet each student’s individual learning style and instructional level.

Our classroom instruction focuses on a process approach that provides students with opportunities for involvement in their own learning and a more hands-on, participatory environment. A strong and consistent staff development program that focuses on helping staff find effective instructional assessment strategies and techniques for improved student learning has supported the transition over the past decade towards these developmentally appropriate classrooms. As instruction and assessment has changed, so too has the written curriculum.

The intent of the intermediate curriculum is to provide a written framework of instruction and assessment that is consistent for each elementary student in the total Dallastown Area School District. The curriculum is never finished, as it changes and evolves based on the needs of our students and our community.

LANGUAGE ARTS

- Reading Workshop
- Writing Workshop
- Apply comprehension strategies
- Use prewriting, drafting, revising, and editing strategies
- Read critically in all content areas
- Comprehend, analyze, and interpret literature and informational texts
- Identify literary elements
- Increase word recognition and vocabulary
- Improve grammar and usage skills

MATHEMATICS

- Place value
- Multiplication
- Division
- Expressions and patterns
- Addition, subtraction, multiplication, and division of fractions
- Measurement
- Geometry

SCIENCE

- Life sciences
- Earth science
- Landforms
- Science fair

SOCIAL STUDIES

- Early settlers/Native Americans
- European explorers
- French and Indian War
- Revolutionary War
- Creation of U.S. government
- Lewis & Clark
- Pioneers
- Civil War
- Reconstruction

PHYSICAL EDUCATION

- Physical fitness
- Team sports
- Racket sports
- Mass games
- Fitness rooms

HEALTH

- Grooming and hygiene
- Senses of the body
- Diseases

TECHNOLOGY EDUCATION

- Keyboarding
- *Microsoft Office 365*
 - Student email
 - *Desktop Publishing*
 - Spreadsheets
- Digital citizenship
- *Google Earth*
- Multimedia
